

Survival Kit

The Following is a list of ideas that should go into their Scout survival kits, sometimes referred to as a First - Aid / Emergency Kits.

- | | |
|--|--|
| <input type="checkbox"/> Small Signal Mirror | <input type="checkbox"/> 15 meters Strong Fishing Line |
| <input type="checkbox"/> Adhesive Band-aid | <input type="checkbox"/> Loud Wistle |
| <input type="checkbox"/> Waterproof matches in a Waterproof Case | <input type="checkbox"/> Rubber Bands |
| <input type="checkbox"/> Small One Blade Pocket Knife | <input type="checkbox"/> 2 - 4 Meters Snare Wire |
| <input type="checkbox"/> 3M Tinfoil Folded | <input type="checkbox"/> 15 Meters of Twine or String |
| <input type="checkbox"/> 50 Cents | <input type="checkbox"/> Fish Hook and Sinkers |
| <input type="checkbox"/> Antiseptic Wipe | <input type="checkbox"/> Candle Stub |
| <input type="checkbox"/> Oxo Cubes or Packets | <input type="checkbox"/> Tweezers |
| <input type="checkbox"/> Lip Protection | <input type="checkbox"/> Pencil And Paper |
| <input type="checkbox"/> Survival Blanket | --- |
| <input type="checkbox"/> Wire Saw (Optional) | <input type="checkbox"/> Water Purification Tablets (Optional) |

All items should be packed in a small container and waterproofed. A "Tupperware "is ideal. The Scouts will learn how to use these items for survival in the woods. Once the container is sealed, it should only be opened in an emergency.

Aside from the survival kit, the Scouts will require the following for all outings.

Compass - A normal Compass with a plastic base is ideal.

Waterproof Matches

Good Quality **Pocket Knife** (No sheath knives please)
